

NBYA

Narragansett Bay Yachting Association

Will this be your year to hoist NBYA's Boat-of-the-Year trophy?

Welcome to another exciting season of racing on Narragansett Bay! The 2019 season will be the 81st in NBYA's storied history and will once again bring together sailors from the more than 30 yacht clubs, sailing associations and sailing organizations that comprise our membership.

Sponsored by GMT Composites since 2004, the NBYA Boat-of-the-Year (BOTY) trophy is awarded to the owners of the spinnaker and non-spinnaker boats on Narragansett Bay that achieve the best overall performance for the season. A boat must race in at least 5 of the 12 events/regattas to qualify for the trophy.
