- 4.3. For the series, the final score will be equal to the total points earned in each regatta divided by the sum of the maximum possible points for each regatta.
- 4.4. A boat must race in at least 37% of the events that are actually held (ie: not cancelled for any reason) to qualify for the award. For instance if 9 events are held, a boat must race in 4 of them.
- 4.5. A boat that races in 50% or more of the events that are actually held may drop the results of one regatta.
- 4.6. A boat may designate IN ADVANCE a single event it wishes to EXCLUDE from the series scoring. This must be requested in writing and received and acknowledged by NBYA no later than 24 hours before the event.
- 4.7. Boats must sail in a PHRF division on the course inside the bay for this race to count as a qualifier.
